# A PLACE WHERE PEACE IS *a priority*

Sindhudurg has suddenly caught the fancy of many corporations and individuals alike. The area is the nerve center for future development and a promising belt for the tourism industry. With untapped natural beauty and bounties of nature, an exotic location, white sand beaches, lush greenery, and abundant rainfall, the area will soon surge ahead to become one of the best tourist destinations.

Kudal supports one MIDC area. Kudal railway station is located on the Konkan Railway route and connects the town with Mumbai on the north and Mangalore on the south. It is a major stop for the Konkan Railway with many trains having a halt. The Deccan Odyssey train also stops in Kudal. National Highway 66 passes through Kudal. Apart from that, it also has two bus stations, a new one and an old one. The old one is situated in the market near our project. while the new one is just adjacent to the NH-66.

All tourist attractions are Vengurla Beach, Bhogave Beach, Nivati Beach, Kille Nivati Beach, Devbag Beach, Tarkarli Beach, Khavana Beach, and Sindhudurga Fort with a 20-30 Min. range.
